ANNUAL REPORT OF THE SCHOOL

The academic session began on March 20, 2018 with the theme 'Mirroring Values' for the year. The school had the election of the cabinet and oath taking ceremony on July 14, 2018. In the month of June environment day was celebrated by planting of trees and other competitions like vegetable printing, flower making, and salad making presentation. Chart display added colour to the occasion.

On 15th August, Independence Day was celebrated with much gaiety and fervor. Children presented historical drama like Salt March and highlighted the freedom fighters like Mahatma Gandhi, Bhagat Singh and so on to imbibe the spirit of these heroes. Towards the end of August children were prepared for half yearly examination.

Children greeted their teachers on September 5, and recognized the value of teachers in their lives. Giving much importance to Swatch Bharat Abhiyan, awareness was created by conducting activities on Swatch Bharat – Sukhi Bharat. Badminton, skating, and kabaddi both for boys and girls.

In the month of November, the children's day was celebrated by teachers entertaining the students. The first annual athletic meet 'DARPAN' was held on 12th November 2018 by the children for the parents and the public. Parents appreciated the first venture of their children and they were in awe towards this institution. House wise march-past, Karate, Zumba Dance, etc. were the mesmerizing events of the day. Champions were awarded with prize and certificates.

As per the wishes of the children a fete was conducted and the proceeds of the same was shared with the poor specially with the orphanage and to the leprosy patients.

As it was the first batch of 10th class for the school, a lot of coaching was given to them besides two pre-boards. Final examination for the other classes were conducted in the month of March 2019. Our first batch of students came out in flying colours making the school proud with cent percent results.

Regular Parent and Teacher meeting was held after every exam. During the SMC Meeting points regarding upgradation to XI std. was discussed and this was put before the parents. Members suggested having remedial classes for the weaker students and it was done. At the request of the parents, bus services to distant villages was also an agenda in the meeting.

For the smooth functioning of the school various committees were formed and each teacher took their responsibility seriously and that helped the growth of the institution.
